

EEE3097S-2022

Date	10/14/2022
Attendees	Moutloatsi Setlogelo (STLMOU001)
Chair	Brendon Mutema (MTMBRE002)
Agenda items	<ul style="list-style-type: none">• Discuss corrections to past submissions• Review feedback from Milestone 3• Video demonstration progress
Action items from previous meeting	<ul style="list-style-type: none">• Make amendments to previous milestones based on comments made during marking• Complete the 3rd Milestone• Plan on how to complete the final report• Split the work for the final report
Discussions points and action items	<p>After successfully completing milestone 3, we discussed plans to complete the final report and video demonstrations. Our video demonstrations we plan on submit our videos of our sections separately, making a complete video with both of them. We realised ways on our mistakes in milestone 3, 2 and 1 and plan to accommodate these corrections in our final report.</p> <p>Action Items: Complete final report Complete final demonstrations</p>
